Experience the superb show of Enermax in Computex

ENERMAX is thrilled to invite you to see our latest performance products at COMPUTEX 2013 in Taipei, Taiwan, from 4th to 8th, June 2013.

As a leader in the power supply industry, Enermax will display the new fan-less power supply and a series of new industrial power supply products.

Moreover, we will show off our brand-new liquid coolers, special edition T40 CPU cooler, new Twister fans, and several fantastic cooling pads.

For more information about the latest and forthcoming products, please visit our booth at TWTC Nangang Exhibition Hall, first floor, booth number I-0510. We are looking forward to meeting you.

For more information, please visit www.enermax.com

ENERMAX Technology Corporation is a globally renowned manufacturer of pc-components such as power supplies, cases, cooling device, and peripheral. Devoted totally to combine quality, performance, safety and design in its products, ENERMAX has obtained and achieved a myriad of world records and awards since its establishment in 1990. PSU & fan factories, 5 subsidiaries and numerous affiliates around the world provide an excellent channel network for its OEM/ODM and retail businesses, headquartered from Taoyuan/Taiwan.
