U. R. VEGAS

UCUR12

How to attach fan guard

Place the fan guard in between the fan (exposing side) and skin pad

! Please attach the fan guard at all times for external use to avoid any harm and accident

How to power the fan

! Please do not remove the fan while it is spinning

1. Fix the fan with magnets at any place that needs extra cooling

2. Plug in the USB connector

How to adjust LED mode

Click the LED button to select the LED mode

- Quick off function : press the button for 3 seconds for "OFF" mode
- Memory function : the LED mode would remain the mode before restart

How to detach fan blades

Carefully push out the fan blades with your thumbs in the inner area.

! Please keep the circular LED ring dry when using at all times

How to reattach fan blades

Press the center of the blades towards the frame until it clicks
